Do you know who Adam emailed this to? It's fine, but there is someone on his list that is a reporter.

I've never heard of the canyon news. I'm pretty certain he only emailed Carol Sidlow and Steven Poster who then sent it out to their neighborhood list (to be honest, they may have directly quoted, cut and pasted, "email from Adam Miller at CD4") The next day Rick Seereni with the Laurel Canyon Association asked for the same info to send to their list - I assume he meant their HOA email list. Maybe that was Canyon News? I just have no idea what/who that is... but I can poke around tomorrow?

It's fine. They are a small news source. They cover us every once in a while.
